

4-H CLUB ACTIVITY LEADER

General Duties:

- ☺ Prepare to do a fun, organized, educational game or activity with your club members during the meeting. Don't wait until the day of the meeting to plan this.
- ☺ A schedule for each month will be emailed to your Teacher and on our website: www.smith.tennessee.edu.
- ☺ This is a fun time for your club, but it is not goof-off time. We want you to have fun, but you need to be organized and be a leader for your class.
- ☺ You are allowed to choose one helper per month for your activity. Choose a different member each month to allow everyone to participate.
- ☺ Use your imagination and get creative! Activities could include:
 - Four corners
 - Mini scavenger hunts
 - Guessing games
 - Get to know you games
- ☺ The activity leader should NOT be leading the class in a game of heads up 7 up every month. If you have trouble coming up with activities please ask your 4-H agent for ideas. We have many resources full of fun activities we would be happy to share with you.
