Things to Know

At 4-H Camp, you'll find so many exciting things to do!

Things to Leave at Home

Junior Camp is open to 4-H'ers in grades 4-6 (as of January 1st of the current year). Campers will meet and ride a bus to camp. Transportation to and from camp and a t-shirt is included in the camp fee.

4-H Agents Rachel Petty and Susanna Clouse, adult and teen volunteer leaders, and permanent camp staff encourage all participants to experience new adventures and make new friends! Every effort is made to insure the safety of the campers.

Facilities are regularly inspected and meet health department guidelines. The 4-H Center is accredited according to the strict guidelines of the **American Camp Association**. A first-aid station is located on the campgrounds and a healthcare professional is employed by the 4-H Center. Medications for allergies and other conditions are kept in a safe location and monitored by adults. It is the parents' responsibility to notify the 4-H agent of any special medical needs that may apply to their child.

Professional and summer staff receive training in first aid safety procedures. There are two volunteer leaders for every 16 children, in addition to agents and camp staff. Three lifeguards and six adults are on duty at the pool at all times.

The Clyde York 4-H Center is located near Crossville atop the scenic Cumberland Plateau on 194 acres. The 4-H Center features an air-conditioned recreation hall and dining hall, where campers are served home-cooked meals and may return for seconds.

Eight air-conditioned cabins with modern bath facilities provide a wonderful atmosphere for campers. Accommodations for campers with disabilities are also available.

Grounds are fenced and gated for security purposes.

Our priority is creating a safe, fun, and positive experience for each and every camper!
